Fall Session 2004 (15 weeks)

Residence halls open for returning students	September 5
Labor Day	September 6
First day of classes, Tuesday, 5:00 pm	Tuesday, September 7
Last day to add courses with faculty approval	September 17
Last day to drop courses without record	September 17
Last day to withdraw from first-half courses	October 8
First-half courses end	October 15
Second-half courses begin	October 18
Mid-session grades due by 4:00 pm	October 20
Mid-session break (NO CLASSES)	October 25
Pre-registration begins for Winter/Spring 2004-05 session	November 15
Last day to withdraw from full-term courses	November 5
Last day to withdraw from second-half courses	November 19
Thanksgiving break begins	November 24
Classes resume	Monday, November 29
Last day of classes	December 13
Final exams	December 14-17
Last day of session	December 17
Residence halls close	December 18
Winter break begins	December 18
Final grades due by 4:00 pm	December 20

Registration Instructions for Continuing Students

The Fall 2004 Timetable of Courses contains lists of courses offered for the Fall session of the 2004-05 academic year. Priority registration is scheduled to begin March 8th. In order to register, students need to do the following:

1. Remove financial holds.

A financial hold indicates that you have an outstanding balance with the Business Office. Please view your account on *The Bridge* to see if you have a hold. You must clear your hold before you can register.

2. Understand billing ramifications.

Overload charges are applied at the 18th credit. A student who registers for 17 credits will not be charged an overload fee, but if that same student registers for another credit or more, a fee of \$350 per credit will be charged. There are no overload waivers for Outdoor Orientation leadership, athletics, music, or other performance classes. Any student who registers to audit a class will be charged an additional fee of \$100, regardless of whether or not the student is enrolled full-time.

3. Make an appointment with your advisor.

Schedule an advising appointment. You may change your advisor by completing a Change of Advisor Request form and submitting it to the Registrar's Office after permission has been obtained from the new advisor. Many classes close early, so meet with your advisor as soon as possible.

4. Review the Timetable of Courses and the College catalog.

Plan a tentative schedule by using the planning worksheet before you meet with your advisor.

Planning a schedule of courses should always begin by considering your progress toward completing a chosen program of study. Students are responsible for knowing the College catalog and the requirements stated therein.

5. Finalizing your schedule and obtaining your alternate pin number.

Review your tentative Fall schedule with your advisor. Make sure that you have alternate course selections. Once your schedule is finalized with your advisor, s/he will issue you an alternate pin number. You will be prompted for this pin number when you register on *The Bridge* so have it handy.

6. Courses requiring instructor consent.

You will need to complete an add/drop slip for the courses that require an instructor consent, or for prerequisites to be overridden. The instructor of that course will need to sign the add/drop slip. You do NOT need your advisor signature for these.

7. Registering for classes on *The Bridge*.

Please see page 14 for detailed instructions on how to register for classes on *The Bridge*.

8. Abide by the payment requirements.

Tuition Management Plans should be returned by August 16th to avoid cancellation of your pre-registration, financial aid, and housing requests.

Note: Timetable of Courses updates will be outlined in red as they occur, open/closed course lists, and other useful registration information is accessible through your faculty advisor, your campus email, and *The Bridge* at www.northland.edu.

Final Exam Policy and Schedule

1. Because the final examination week is part of the required meeting time for the session length, faculty are required to conduct an examination or culminating period during this week for all classes. When an examination is not given, a culminating period can be used to return exams and/or papers, give students course feedback, schedule individual appointments, or conduct assessments.
2. A final exam is defined as the last examination of the course. No examination should be scheduled during the last week of classes.
3. No take-home final examination should be due any sooner than the period designated for that course during final exam week.
4. Co-curricular activities involving significant amounts of student time should be prohibited during the last week of classes.
5. No student or faculty member is allowed to move an examination to a time other than the one that is designated for that class.
6. Examinations for evening classes (4-10 p.m.) will be given at the regular class meeting time during the session examination week.
7. Because classes meet several times each week, the schedule refers to the first meeting of the class. Classes scheduled over two or more class periods will be tested according to the first period scheduled (i.e., classes meeting 2:30 to 4:20 TR will be tested during the block assigned to 2:30 classes meeting regularly on Tuesday). Classes meeting only once a week or those whose first meeting is not Monday or Tuesday, will be tested according to the M schedule for M/W/F combinations and to the T schedule for T/R combinations.
8. If other than the regularly assigned room is to be used, space must be cleared through the Registrar's Office at least 24 hours in advance.

Final Exam Schedule for Fall 2004

Tuesday, December 14, 2004

8:00 a.m.-10:00 a.m.

All 1:30 p.m. classes meeting regularly on Monday.

10:30 a.m.-12:30 p.m.

All 3:30 p.m. classes meeting regularly on Monday.

2:00 a.m.-4:00 p.m.

All 12:30 p.m. classes meeting regularly on Monday.

Wednesday, December 15, 2004

8:00 a.m.-10:00 a.m.

All 8:30 a.m. classes meeting regularly on Monday.

10:30 a.m.-12:30 p.m.

All 12:30 p.m. classes meeting regularly on Tuesday.

2:00 p.m.-4:00 p.m.

All 10:30 a.m. classes meeting regularly on Monday.

Thursday, December 16, 2004

8:00 a.m.-10:00 a.m.

All 11:30 a.m. classes meeting regularly on Monday.

10:30 a.m.-12:30 p.m.

All 8:30 a.m. classes meeting regularly on Tuesday.

2:00 p.m.-4:00 p.m.

All 2:30 p.m. classes meeting regularly on Monday.

Friday, December 17, 2004

8:00 a.m.-10:00 a.m.

All 9:30 a.m. classes meeting regularly on Monday.

10:30 a.m.-12:30 p.m.

All odd-hour (9:30, 1:30, 3:30) classes meeting regularly on Tuesday.

2:00 p.m.-4:00 p.m.

All 2:30 p.m. classes meeting regularly on Tuesday.

New Course Descriptions

BUS225 Personal Selling Theory & Practice – 3 credits

This course is designed to introduce students to the theory and practice of the concept of personal selling and its component elements. Students will study personal selling theories and current practices used in businesses and non-profit organizations. The course will move students from theoretical learning to practical application by requiring them to apply topical concepts to the development of two individual personal selling presentations which will be presented at the end of the course.

EDU388 Children's Literature – 3 credits

This course provides an in-depth exposure to literature for children from kindergarten through middle grades. Students will read a variety of children's books, focusing on both classical and contemporary works. Emphasis is on evaluation of literature, with an analysis of text and artwork, multiculturalism, and the profound influence of literature on the emotional and academic growth of children.

GIS315 Geodatabases – 3 credits

This course discusses the capabilities and advantages of storing geographic data in a geodatabase. Students learn details of the geodatabase data model as it applies to GIS projects. Advanced topics covered in the course include creating, editing, and managing subtypes and relationship classes.

GIS401 Advanced GIS Applications – 3 credits

This course provides practical experience in designing a GIS model. Applying knowledge from previous courses and implementing a research design with spatial data relevant to their field of interest, students sharpen their GIS technical and problem-solving skills. Project development will encompass the full range of procedural approaches from planning, data acquisition, and analysis to output and presentation.

GSC105 Geology and Society – 4 credits (Geoscience/Environment lib eds)

This course deals with humans' relationships to the physical Earth. Emphasis is on: 1) earth resources such as water, minerals, and energy resources; 2) geological hazards such as volcanoes, earthquakes, and floods; 3) the way in which the Earth's physical systems provide the foundation of all life; and 4) gaining an appreciation for the Earth's history and beauty. Special fee required.

MTH150 Java Script Programming – 4 credits

Introduction to basic programming concepts and techniques with JavaScript, and interactivity to web sites.

NAS225 Native American Woodland Skills – 3 credits (Culture lib ed)

This course focuses on Native American life ways in an outdoor setting providing instruction in woodland crafts and skills. Class activities will include traditional Native American teachings concerning various group and individual projects.

PHL230 History of Western Philosophy I – 3 credits (Philosophy & Religion lib ed)

This course is a survey of the Western philosophical tradition, from the Pre-Socratics to William of Ockham. Beginning with controversies between the Pre-Socratics and Socrates/Plato, the course will then examine how Aristotle's resolution of these arguments set the tone for Western thought for many centuries. The course culminates in the Medieval era, with a look at the work of Abelard, Aquinas, and Ockham.

PSY447 Senior Seminar Preparation – 1 or 2 credits

This course prepares the student for the investigation of a special problem in psychology. Under the guidance of one of the faculty in psychology, students will begin developing a proposal for study in a selected area of psychology, and complete a pilot study relevant to their proposal. Offered every fall.

DOMESTIC AND INTERNATIONAL TRAVEL COURSES for Spring 2005

International study trips and domestic travel courses have individual fees attached above the cost of any tuition or audit fees and have certain requirements for payment, refundability, and eligibility for participation. Students interested in foreign study or other College sponsored trips should contact the instructor to obtain a copy of the itinerary, estimated costs, and payment schedule. All trips require deposits/prepayments before the departure date. Students should also inquire about other out-of pocket expenses such as passports.

Students may be eligible for some financial aid to assist in the cost of these courses. Please contact the Financial Aid Office directly for assistance.

Students must register for credit or audit. Course fees will be charged the session prior to the course. Travel/course fees over \$100 have special refund dates for each course. Contact the instructor for details. Pre-registration for these courses is contingent upon compliance with deposit and payment schedules. (See tuition and deposit schedule printed in this *Timetable*.) Student accounts will be monitored for unpaid balances preceding the trip. The Business Office reserves the right to un-enroll a student due to an unpaid balance. In such cases, the student will still be responsible for the portion of the deposit that is not refundable.

ENG/HIS250- Spring in Italy 4 credits

Northland students have a unique opportunity to study some of the great intellectual achievements of Medieval and Renaissance Italy, splitting their time between Florence, the Great Culture center of Italy, and as residents of a 14th century villa located in the beautiful mountains of Umbria. The first half of this course will focus on Dante's *Inferno*, one of the great texts in Western culture. The second part of the course will track the intellectual changes that marked the passage from Medieval to Renaissance European culture, with particular attention to the work of Machiavelli. While in Florence, students will see the art and architecture that illumine the historical context that shaped Dante's work,

and experience the transition from the medieval to the Renaissance worldview, on site. As residents of the quiet, rural retreat called Rasina, students will have the luxury of daily study and reading in an idyllic Italian country estate. They will also have the opportunity to experience the rhythms of daily life in Italy today. Our travels will include day trips to the nearby cities of Assisi, Sienna, Orvieto, and other Tuscan and Umbrian hill towns. Students will begin and end their Italian experience with stays in Florence and Rome, including the great artistic and historical sites of "the eternal city". Course fee: approx \$3,500 Liberal Education: **Culture**

REL/SOC250 - Trekking Planet Japan 4 credits

This course introduces students to Japanese religion, particularly Japanese Buddhism. As a sociology course, it also introduces students to ways of viewing modern Japanese society. The primary teaching method is experiential; the course entails an approximately three-week trip to Japan, including stays in Kyoto, Osaka, Hiroshima, and Koya. Our stay in Kyoto will consist of such activities as visiting temples and shrines, experiencing a tea ceremony, and participating in the monastic life of the International Zen Center (Kokusai Zendo). In Osaka, we will meet Japanese college student from our sister College, Hagoromo Gakuen, and participate in a homestay with them. In Hiroshima, we will stay near and visit Peace Park and Museum, as well as, visit Miyajima shrine. Course fee: approx \$3,000 Liberal Education: Cultural Diversity.

BIO250 – Marine Biology 3 credits

This course will provide an introduction to the interactions that determine the distribution and abundance of organisms in shallow-water marine ecosystems. Topics will be covered from an interdisciplinary perspective and will focus on the community biology, ecology, physiology, biodiversity, and conservation of tropical coral reefs. In addition, the course will address the behavior of the bottlenose dolphin and provide the opportunity to SCUBA dive with dolphins in the wild. Principles covered in lecture will be reinforced with a 2-week trip to a marine sactuary near St. Anthony's Key, Roatan, Honduras to conduct coral reef biodiversity surveys. Prerequisite: BIO115 and SCUBA certification by May 2005. Course fee: approx \$3,000

General Information

Course numbers used in the Timetable of Courses indicate the academic level for which each course is primarily intended.

028-099 Prep/Skill Building
 100-199 Freshmen/Introductory
 200-299 Freshmen/Sophomores
 300-499 Juniors and Seniors
 500 Graduates (requires previous receipt of bachelor's degree)

Courses are grouped into various departments and have been assigned the following departmental codes:

ART	Art
BCH	Biochemistry
BIO	Biology
BUS	Business Economics
CHM	Chemistry
CIS	Computer Information Systems
ECN	Economics
EDU	Education
ENG	English
ENV	Environmental Studies
FIN	Fine Arts
GCS	Geoscience
GIS	Geographic Information Science
GOV	Government
GWS	Gender & Women's Studies
HIS	History
IDS	Interdisciplinary Studies
MET	Meteorology
MLG	Modern Languages
MTH	Mathematics
MUS	Music
NAS	Native American Studies
NRS	Natural Resources
OED	Outdoor Education
PGS	Peace, Conflict, & Global Studies
PED	Physical Education
PHL	Philosophy
PHY	Physics
PSY	Psychology
REL	Religion
SOC	Sociology
THE	Theatre

Lab sections are indicated with an "L" after the section number (i.e. BIO1010-08L indicates lab section 8 of BIO101). Sections are indicated by the 01, 02, 03, etc. after the department and course numbers (i.e. BIO101-02 indicates section 2). Courses with multiple course and/or lab sections are listed consecutively.

Day of the Week Codes

Codes for class meeting dates are as follows:

M = Monday T = Tuesday W = Wednesday
 R = Thursday F = Friday S = Saturday
 U = Sunday ARR = Arranged
 TBA = To be announced

Course Meeting Times

Course meeting start and end times are indicated for each course if available. Some courses list multiple meeting times and days. Separate lab sections are only listed when a student is given a choice of multiple meeting times and days.

Closed Courses and Wait Lists

When a course closes, students can choose to be placed on a waiting list. If significant over enrollment occurs for a course, the College may consider opening new sections to meet demand. Students are reminded that they will need to be registered for at least 12 credits (full time) in first-half courses for their financial aid to be placed on their accounts. Waiting list courses carry no credit; therefore, students should consider adding an alternate selection to their schedule if they are placed on a waiting list. A signed Add/Drop Form is necessary before a student will be moved from wait list status to registered for the course.

Second-Half Courses

Some courses begin the second half of a session just after midterms. These courses, such as some Outdoor Education activity courses, carry no credit until the course begins. Once the course begins, credit is added to the enrolled student's schedule and any billing adjustments are made. Second-half courses may result in tuition adjustments (if a student was part time before the course was added and now will be at a higher credit level or at full time); overload charges (if the additional credit raises their enrolled level over 17 credits), and additional course fees. Note: Second-half courses may not be used to reach full-time status for financial aid purposes.

Late Registration/Late Add

Students who begin the course selection and bill payment process after classes have begun or add a course after the add period will be required to complete an student petition form. If approved, the student will be assessed a \$25 late schedule change fee. Students who will not return to campus until after classes begin are asked to notify the Registrar's Office in order to hold their classes. Students who are not present at the beginning of a session and have not notified the Registrar's Office prior to their absence may be administratively dropped from classes. The last day to add without incurring a late fee is September 17, 2004.

Academic Policies

Minimum, normal, and maximum credit load

To be considered full time, students must take a minimum of 12 credits in each of the fall and winter sessions and 3 credits in the shorter spring session. Normal loads are 12 to 17 credits and 3 to 5 credits, respectively. Overload charges apply for loads beyond 17 credits in the longer fall and winter sessions and 5 credits in the spring session.

Add/Drop procedures

Students wishing to drop or add one or more courses can do so by logging onto their *Bridge* account and making the change up until the day before classes begin.

Once classes begin, a student will be required to completed an add/drop slip signed by their faculty advisor and the instructor of the class they are adding and/or dropping. If a student stops attending a course and does not complete the add/drop procedure, a grade of "F" will be entered on the academic record.

A student who drops a course after September 17th and before November 5th for the fall term will receive a "W" (Withdrawn) for the course. Any student dropping a course later than November 5th for fall will receive an "F" in the course.

The Academic Standings Committee may allow exceptions to this procedure in unusual

circumstances after the student has filed the appropriate petition.

Students with financial aid need to be at full-time status until the end of the College's refund period (25 class days during the fall or winter sessions) or they may jeopardize their financial aid. Please contact the Financial Aid Office for additional information.

Administrative (faculty-initiated) drop policy

Students who register prior to the first day of classes but who miss the first two meetings of a 50-minute class or the first meeting of a class that meets for 75-minutes or longer may have their registration in that course canceled by the instructor. Faculty-initiated drops must be received in the Registrar's Office by Friday of the first week of the fall and winter sessions, and will not be used during the spring session. If extenuating circumstances prevent a student from attending the first meetings of a class, the student must contact the instructor or the Registrar's Office prior to the first class meeting to confirm registration in the course.

Repeat courses

A student may not repeat a course if the course is a prerequisite of one already successfully completed within the same department. Athletes should check with coaches before taking a repeat course because it may affect their eligibility. Students receiving veterans' benefits may not include, in benefit level determination, the credits for a repeat course in which a "D" was previously earned.

The credit and grade earned in the latter attempt will replace any earlier grades on the academic transcript.

Audit policy

Students wishing to audit a course must meet the registration eligibility requirements and follow the regular registration procedures. Students may audit courses with the following stipulations:

1. A student must register as an auditor.
2. The decision to audit must be finalized and recorded in the Registrar's Office before the last day to add/drop.
3. No credit will be granted for the course, but an audit (AU) symbol will appear on the academic record.
4. An audit course may be repeated for credit in another term.
5. Appropriate audit fees (\$100 per course) are to be paid, and course fees are required.

Audits are to be indicated on an add/drop form during the add/drop period of a term. Audits do not count as credits for veterans' benefit certification, athletic eligibility or financial aid consideration.

Withdrawal policy

The College recognizes that circumstances may require a student to completely withdraw from the College during a session. Students desiring to withdraw from Northland College should contact the Registrar's Office and follow the instructions given by this office. Students will be given the Northland College Withdrawal Statement.

Unless this form is completely filled out, the student will not be eligible for tuition adjustments and may be responsible for paying back any financial aid received from the College. A student will have been considered withdrawn on the date

that the withdrawal statement is returned to the Registrar's Office. NO WITHDRAWAL IS CONSIDERED OFFICIAL UNTIL THESE PROCEDURES ARE COMPLETED.

A student who leaves college before the end of a session without officially withdrawing will receive a grade of "F" for all courses during the session. Students who follow proper withdrawal procedures will receive a tuition adjustment based on the refund schedule and refund policy as stated in the College catalog.

Transcript request

Students may request a copy of their academic transcript by completing a Transcript Request Form available from the Registrar's Office and submitting the appropriate fee with the request. Transcripts are processed on a first-come first-served basis usually within five working days. There is a \$4 fee per official transcript and an additional \$15 fee if 24-hour processing service is requested. Unofficial transcripts are available for current students on *The Bridge* at www.northland.edu. The Transcript Request form is also available online at www.northland.edu under the Quick Links section.

Transcripts will not be released if the student has a balance on his/her account with the College, is in arrears with student loan payments, or has failed to enclose payment with the request.

Special courses

Students may enroll in one of the following courses provided they meet all eligibility criteria. These courses cannot be added to a student's schedule until all required forms are completed and processed by the Registrar's Office. Each type of course has a special numbering system based on the type of experience and credits.

Internships: 292 and 492

Independent Study: 290 and 490

Arranged Courses: course number same as catalog listing

Field Experience: 291 and 491

Senior Thesis: 496 and 497

Teaching Assistant: 294 and 494

Research Assistant: 295 and 495

Freshmen and sophomores enroll in 200-level section; juniors and seniors enroll in 400-level section.

Students must be in good academic standing to enroll in any special course experience. Independent studies have an additional minimum GPA requirement (3.0 cumulative).

Internships: To enroll in a work experience for academic credit, a student must complete the Special Course Registration form. Internships range in credit from 1 to 4 depending on the time commitment of the student. A maximum of 12 credits from internships and field experiences can be applied toward graduation. Internships are graded S/U.

Independent Study: Arranged with an instructor, an independent study represent course work in a specialized area or in-depth coverage of present course work. To enroll in an independent study course, a student must complete the Special Course Registration forms. All students must meet the GPA eligibility requirements of a 3.00 overall. Independent studies are letter graded.

Arranged Courses: A student requesting an instructor to offer a course on an arranged basis must complete the Arranged Course form and then secure permission from the instructor and the Academic Dean. Usually the need for an Arranged Course arises from scheduling difficulties. An Arranged Course form is not automatically approved. Liberal Education requirements may not be satisfied on an arranged basis. Alternate courses and arrangements should and will be pursued before an Arranged Course will be approved.

Field Experience: Unlike the intensive individual coursework of an Independent Study, Field Experiences arranged through a faculty member or department offer the student hands-on experience in their major/minor field of study under the direct supervision of the faculty member. Forms and permission are secured in the same manner as Independent Studies above. Since faculty members serve as sponsors and supervisors, Field Experiences differ from Internships and have no direct career exploration component to them.

Field Experiences are graded S/U. A maximum of 12 credits can be earned from internships and field experiences.

Senior Thesis/Research: A senior thesis/research or capstone experience is requested in most academic programs. Students completing a Senior Thesis or Research Assistant will have taken part in an academic experience normally reserved for graduate school. Check with your faculty advisor to ascertain the availability of this option in your area. Senior Thesis/Research can be one session (496) or one year in length (496 and 497).

Teaching and Research Assistant: Students may serve as Teaching Assistants in certain courses with approval from the instructor. Generally, in these experiences students will assist the instructor in classroom activities, student training, or material preparation in a course in which they have particular skill or background. A Teaching Assistantship may be taken for credit of equal or lesser value than the course in which they will be assisting. The grading method shall be the same as the assisted course. Research Assistantships are letter graded.

Satisfactory/Unsatisfactory grading option
Students may enroll in Outdoor Education activity courses (numbered 028-099) on an S/U (Satisfactory/Unsatisfactory) basis by declaring their intent with the Registrar's Office within the first two weeks of the fall or winter session, or within the first four days of the spring session. Additionally, students classified as juniors or seniors who have a GPA of 2.50 or better may take up to four courses on an S/U basis, without any effect on grade point average, under the following conditions:

1. Only one course per session, exclusive of OED activity courses, may be taken on an S/U basis. However, a course offered only on an S/U basis for all students will not be counted in the four courses allowed.
2. The S/U courses may not be required courses in the Liberal Education Program, in the student's major or minor fields (except Internships and Field Experiences), or in courses needed for teacher certification.

3. The student must satisfy all prerequisites for the course.
 4. The student must file with the Registrar's Office his or her intent to take a course on an S/U basis. Within the first two weeks of the fall or winter sessions or four days of the spring session, the student may request the Registrar's Office to change the mode of evaluation from an S/U to a letter grade.
 5. When grades are reported, the Registrar will enter on the student's record a mark of "S" for a letter grade of "C" or better or "U" for a letter grade of "C-," "D+," "D," or "F".
- Dean's List Honors: The Dean's List is computed at the conclusion of the fall and winter sessions. To qualify, students must be full time (both fall and winter/spring), enrolled in a minimum of 12 credits of non-S/U graded courses, and earn a 3.50 grade point average with no grades less than "C" and no incompletes.

Incomplete policy

A grade of "I" (Incomplete) may be given to a student who has nearly completed a subject satisfactorily and then, because of illness or unusual and substantiated cause beyond the student's control, has been unable to take or complete the final examination or to complete some limited amount of work. An incomplete is not given for unsatisfactory work, and an incomplete is not given if the final examination has been missed unless the student is able to provide proof that attendance was prevented for sufficient cause.

Incompletes will stay incomplete (grade of "I") on the transcript unless the work is completed within six months from the last day of term. Grade changes will not be allowed after six months.

Services for students with disabilities

Individuals who have any disability, either permanent or temporary, that might affect their ability to perform in classes are encouraged to inform the instructor and/or the Coordinator for Students with Disabilities (ext. 1340) at the start of the term. Adaptations of methods, materials or testing may be made as required to provide for equitable participation.

Graduation and honors

Graduation occurs when a student has completed 124 credits, has a GPA overall and in the major of 2.00 or better (2.75 in Teacher Education), and has completed the Liberal Education Program and one major sequence of study. The student's GPA will determine graduation with honors at the end of the winter term before Commencement. Honors designations on transcripts will be based on the student's complete academic record at Northland College. Transfer students are eligible for honors based on the Northland College GPA alone, provided they complete a minimum of 48 non-S/U graded credits in attendance.

Grade point requirements for honors are:

3.50 - Cum Laude

3.70 - Magna Cum Laude

3.90 - Summa Cum Laude

Tuition Charges

For questions regarding billing and payment options, please contact Student Accounts in the Business Office at 715.682.1352 or toll free at 866.781.0001.

2004-05 Tuition Charges (effective August 15, 2004 - August 14, 2005)

Credits	Tuition
1	\$ 350
2	700
3	1,050
4	1,400
5	2,320
6	3,270
7	4,220
8	5,170
9	6,120
10	7,070
11	8,020
12-17	9,067.50
18+	9,067.50 + \$350 per credit hour
Audit	\$100 per course

Overload fee is \$350 per credit hour for credits in excess of 17 in fall or winter term and 5 in spring term for all students.

Degree Completion tuition is priced differently from regular tuition. For information, call Clare Hintz at 715.682.1492.

Off-campus credit rate is \$1,310 per session for all students who take off-campus experiences that are credited through Northland College.

International study and travel course deposit schedule

Winter/spring course deposits are due December 15th. Subsequent payments are dependent on trip.

Fee Amount	Deposit Required
\$1,000+	\$500
\$500-999	\$200
\$150-499	\$100

INSTRUCTIONS FOR PRO (Paperless Registration Online)

Need help? Learn how to use the PRO (Paperless Registration Online) system at one of the following sessions: **Monday, March 8th, 11:30 to 12:30 pm**, or Tuesday, **March 9th, 12:00 to 2:00 pm**. Both sessions will be conducted by student tutors and held on the second floor of the Ponzio Campus Center. These are not academic advising sessions—bring your signed schedule and PIN from your advisor. Be prepared to enter course selections!

1. You must have a Northland College computer user ID and password in order to proceed. Please contact Doreen Kroll in the I.T. department at 682.1855 to obtain one if you don't already have one.
 - ✓ Click on **Student and Financial Aid**
 - ✓ Click on **Registration**
 - ✓ Click on **Select Term** (choose the term you are registering for and click submit)
 - ✓ Click on **Check Your Registration Status** to see if you are eligible to register at this time. All holds on your account must be cleared before you will be allowed to register (click on back to return to menu).
 - ✓ Click on **Register for Classes**. Enter the **CRN** (Course Reference Number) for the course you want to add to your schedule. Enter only one CRN per box. The CRN is the 4-digit course number located in the *Timetable of Courses*.
 - ✓ After entering all the CRN's for the term, click on **Submit** to register for the classes.
 - ✓ Registration errors will appear if any occur. If a course is closed, you will be given the option to be waitlisted in the course. You must click on the drop-down box and choose waitlisted in order to be waitlisted.
 - ✓ It is not necessary to bring in a paper copy of your registration form to the Registrar's Office. Complete an add/drop form if you need to obtain instructor consent for any courses.
2. Prepare your preliminary list of course selections. Remember, to be considered full-time status you must be registered for at least 12 credit hours. If you are uncertain of how to select your courses, your advisor will assist you. Choose alternate courses carefully.
3. Check the College catalog and *Timetable of Courses* carefully to make sure you meet the requirements for the courses you select. Pay particular attention to the prerequisites for each course.

If a course is marked "Instructor Consent", you must have written consent from the instructor to register. Complete the Add/Drop form, and obtain instructor signatures where needed.
4. It is your responsibility to make an appointment to meet with your advisor before you register. Allow adequate time to meet with your advisor and plan your schedule of classes. After you have met with your advisor, discussed your course selections, and obtain your PIN and day to register, you are ready to register online.
5. Follow these steps to register online:
 - ✓ Login to *The Bridge* with your ID and password.
 - ✓ Click on **School Services**
 - ✓ Click on **Campus Services**
8. You can view your schedule by clicking on **Student Detail Schedule**. You can continue to add and drop classes in the same manner as needed until noon on Friday, September 3rd when the PRO system will be turned off.

NOTE: You can only register for courses that have a CRN in the Timetable of Courses. Registration for any other courses, such as internships, field experiences, etc., must be done according to the instructions on the Special Course Registration form and submitted in person to the Registrar's Office.

Special Student Enrollment & Courses

Special Student Enrollment

The following fall semester courses are offered during the evening. Please register using a Special Student Registration Form. Submit your special student registration form along with payment to the Registrar's Office.

DATES OF INTEREST

Registration for Fall begins on March 8th.

Late registration: September 8 (first day of classes)-
September 17, 2004 (last day to add or drop).

Note: Schedule Student schedules for pre-registered students can be viewed via The Bridge on the Northland College web page. Please contact the Registrar's Office for more information on this.

CHARGES FOR FALL SEMESTER

\$350 per credit for 1-4 credits. For more than 4 credits, please see Tuition Charges section of this Timetable.

Audit Fee: \$100 per course. Course fees, if applicable, are an additional cost.

For questions on payment methods please contact the Northland College Business Office at 715/682-1352. Payments are refunded 100% for cancelled courses.

Evening Courses

The following MGT courses are part of the Degree Completion program. Enrollment is open only to students admitted to this program or upon consent of the program coordinator. Please contact Clare Hintz at 715/682.1492 for more information.

Add/Drop Form

ID # - -

TERM: _____

NOTE: Internships, independent studies, arranged courses, teaching assistants, and field experiences cannot be ADDED using this form.

Please use a Special Course Registration form for these courses.

Read and follow instructions carefully:

1. Complete student ID, term, name, and date sections; circle ADD or DROP; list the course information and credit
2. Instructor signature is required beginning the first day of the semester
This form is not complete until all required signatures have been secure
3. Return the completed form personally for immediate processing to the Registrar's Office between 8:30 am and 4:00 pm, Monday through Friday, or by appointment. **Forms will not be accepted through the mail.**
4. For students receiving financial aid, dropping below 12 credits during the refund period (first 5 weeks of class) or below 6 credits any time, has implications. Please contact the Financial Aid Office or Registrar's Office for details. Veterans, athletes, international, and probationary students should be aware of guidelines affecting their course loads. **No changes will be made to your schedule until this form is completed and returned to the Registrar's Office.**

Major/Minor Form

Declare your major(s) and optional minor(s) by completing this form. Refer to the Major/Minor Codes sheet for appropriate codes. If you are pursuing teacher education, use the education section of the code sheet. Obtain the signature of your faculty advisor. When your declaration is processed, you will receive a degree audit sheet to keep as a record of your progress toward fulfilling the requirements of your chosen major(s)/minor(s). Students must complete one major and liberal education requirements to graduate.

Second majors and minors are optional. **All major/minor(s) must correspond to the catalog under which you were admitted.** If you wish to change catalogs, you need to successfully petition the Academic Standings Committee.

Education majors

Indicating your major does not admit you to the Teacher Education Program. Admittance is based on completion of specific requirements. You must declare a minor. See the Director of Teacher Education for details.

Double majoring

Students may choose two majors by completing both choice slots on this form. Third majors are rare and must be approved by the Academic Standing Committee and the Academic Dean. Students are limited to two minors.

Directed Studies

Students interested in a Directed Studies major must have a cumulative GPA of 3.0 and submit a Directed Studies Proposal by November 10 of their junior year.

Return completed form to the Registrar's Office, Ponzio Campus Center, 2nd Floor.

Registrar's Office Use Only
